What happens next

You have submitted your registration. Your dossier will now be reviewed and the following checks will be carried out:

Business rules check (BR): this is an automatic initial check verifying that your dossier is in the correct format and can be processed by the regulator. An invoice will be generated and sent to you via email.

Technical completeness check (TCC): this is a second check of your dossier. It includes a manual check carried out by the

regulator for information that cannot be checked automatically.

Completeness check (CC): Once the fee for registration is received by the regulator, your dossier will be set to CC PASS and is considered complete. You will receive a registration number for your substance.

Once your registration has been passed by the regulator, your contact details, or those of your third party representative (TPR) will be made available to other members of the substance group. This will let you start the data sharing process.

You will receive an email confirmation. Please save this for your records.
